Booth NO	Company	Exhibits	Web
B22	BAYERN INTERNATIONAL Munich / Munich	Bavarian Pavilion	www.bayern-international.de
B15	Bosal Energy Conversion Industry Vianen / The Netherlands	SOFC/SOEC heat exchangers and reformers	www.eci.bosal.com
B10	Bronkhorst (Schweiz) AG Aesch / Switzerland	Mass flow meters and controllers for gas and liquid and pressure, controlled evaporation	www.bronkhorst.com
B21	Burkert Schweiz AG Hünenberg / Switzerland	Valves & pumps, flow controllers, pneumatics & process interfaces, sensors, transmitters, customised solutions, process automation	www.buerkert.ch
A08	CAP CO., Ltd. Yokohama / Japan	Anode gas recycle blower for SOFC	www.cap-co.jp
B04	CEA - LITEN Grenoble / France	R&D for SOEC, SOFC and reversible operation (rSOC)	www.liten.cea.fr
B12	Cerpotech AS Tiller / Norway	Ceramic powders for solid oxide cells, membranes	www.cerpotech.com
B20	COMSOL Multiphysics GmbH Zürich / Switzerland	Simulation software for R&D of fuel cells, electrolyzers and batteries	www.comsol.ch
B06	Fiaxell Sarl Lausanne / Switzerland	Test setup and components for fuelcell	www.fiaxell.com
A06	FLEXITALLIC Ltd West Yorkshire / United Kingdom	Gasket & sealing products, thermiculite 866/866LS and 870	www.flexitallicsofc.com
B07/08	Forschungszentrum Jülich GmbH Jülich / Germany	R&D for SOEC, SOFC and rSOC	www.fz-juelich.de

B01	Gamry Instruments Warminster PA / United States	Interface 1010, Reference 600+	www.gamry.com
B04	Genvia Béziers Cedex / France	High-temperature electrolyzers for low-carbon and affordable hydrogen production, energy storage and large-scale fuel applications	www.genvia.com
B22-B	Gustav Klein GmbH & Co KG Schongau / Germany	Regenerative electrical loads for fuel cell testing	www.gustav-klein.com
B16	Haiku Tech Europe BV Maastricht / The Netherlands	Multilayer Ceramics	www.haikutech.com
B11	Höganäs AB Hoganas / Sweden	Ceramic powder and paste products	www.hoganas.com
B19	HORIBA FuelCon AG Barleben / Germany	Test stations for SOFC / SOE	www.horiba-fuelcon.com
B22-C	HYDROGEN DIALOGUE Nürnberg / Germany	THE PLACE TO BE FOR THE HYDROGEN COMMUNITY	www.hydrogendialogue.com
A10	Imerys Villach / Austria	Ion conducting, ceramic materials for solid oxide cells, yttria stabilised zirconias with 5 to 16wt% Y2O3 content in various particle sizes	www.imerys.com
B05	Inrag AG MuttENZ / Switzerland	Mikro gaschromatograph I-GraphX, H2 measurement devices	www.inrag.ch
B09	Morgan Advanced Materials Windsor / United Kingdom	Thermal & technical ceramics, molten metal systems, electrical carbon, seals & bearings	www.morganadvanced-materials.com
B02	Nexceris – fuelcellmaterials Lewis Center OH / United States	Materials, components, and technologies for solid oxide fuel cell and hydrogen electrolysis applications	www.nexceris.com
B22	NürnbergMesse GmbH Nürnberg / Germany	Bavarian Pavilion	www.nuernbergmesse.de

A03	ONEJOON GmbH Bovenden / Germany	Customized furnace systems for large scale SOFC/SOEC production, furnace systems for debinding & sintering of oxide ceramic fuel cells	www.onejoon.de
B17	Praxair Surface Technologies, Inc. Woodinville, WA / USA	Metallic oxide powders & shapes	www.praxair.com/specialtyceramics
A01/A14	RTM Resources + Technologies – Management Bornheim / Germany	SOFC, SOEC; rSOC, CO2 capture & water-from-air (MOF), electrochemical ammonia & syngas-reactors (DRM, SRM); micro-structured methanol-synthesis-reactor	www.rtm-hkl.com ; rtm-group.com
B14	Scribner Associates, Inc. Southern Pines / United States	Fuel cell, redox flow, electrolyzer, MTS, SOFC test stations	www.scribner.com
A02	smk systeme metall kunststoff gmbh & co. kg Filderstadt / Germany	Heat exchanger systems for SOFC Fuel Cell systems	www.smk-systeme.de
A04	Solar Promotion GmbH Pforzheim / Germany	Green Hydrogen Forum & Expo, The SmarterE Europe – Trade Fairs	www.solarpromotion.com
B03	SOLIDpower GmbH Heinsberg / Germany	SOFC cells & systems for power & heat, BlueGEN: micro-CHP system with world leading electrical efficiency of 60%	www.solidpower.com
A12	SRT-Microcéramique Vendôme / France	Solide Oxide Cells (SOC)	www.srt-microceramique.com
B18	SulfaTrap LLC Colorado / United States	Customized purification solutions for gas & liquid streams, e.g. gas processing, petrochemical, pipeline, power generation, CO ₂ purification, biofuels	www.sulfatrap.com
B22-A	ZAHNER-elektrik GmbH & Co. KG Kronach / Germany	Potentiostat, Electronic load	www.zahner.de
