

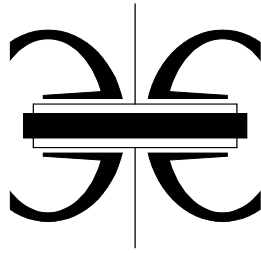

# Exhibition Package 2014

## 11<sup>th</sup> European SOFC & SOE Forum

Conference, Tutorial, Exhibition, Networking

Science, Technology & Application of  
Solid Oxide Fuel Cells & Electrolyser

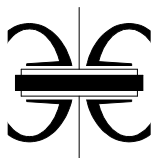

1 - 4 July 2014

Kultur- und Kongresszentrum Luzern KKL  
Lucerne, Switzerland

**Exhibition of  
Fuel Cell Components, Measurement Technologies and  
Instruments, Test-stands, Production Technology,  
Products and Solutions ...**

# The SOFC & SOE Products & Technology Exhibition

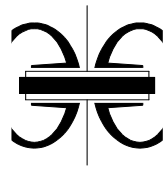

In 2014 the EUROPEAN FUEL CELL FORUM will be a four-day event with exhibition set-up on Tuesday, July 1st and lectures all day from Wednesday to Friday. Exhibitors may remove their displays on Friday, July 4th at 12.30 pm.

Exhibitors from all parts of the world are invited to participate in this international fuel cell show of high reputation. Component manufacturers and fuel cell system developers will show systems, new materials, system components, production and automation systems, process and diagnostic equipment and research results. The forum is also a platform for regions and international technical projects to exchange experience and create new links. Industry, research laboratories, academic institutions, commerce and financing will be eager to learn about recent advances of a promising technology on the edge to become an industry.

The exhibition will take place in the lobby area of the two lecture halls of the Kultur- und Kongresszentrum Luzern ("KKL"). Further information: [www.efcf.com](http://www.efcf.com).

Booths of different sizes are available in the two adjacent lobby areas of the lecture halls. Please refer to the floor plan below. Participants have to walk through the exhibit to attend lectures and the refreshments are served in the exhibition areas during the intermittences.

The European Fuel Cell Forum offers the following services to the exhibitors.
