28th International Conference, Series est. 1994
 with Exhibition & FCH/EIS Tutorials

16th EUROPEAN SOFC & SOE FORUM

Chaired by
Prof. Albert Tarancon
 IREC Catalonia Institute for Energy Research

Fuel Cells, Electrolysers & Membrane Reactors
 CO₂ Emission Reduction & Reuse
www.EFCF.com

2 July 2024
Tutorials:
 FCH: Fuel Cell, Electrolyser & H₂
 EIS: El.chem. Impedance Spectroscopy

GSM Grid Service Market SYMPOSIUM
SSD Sustainable Shipping Days 2024

Participant List 2024

All participants registered for EFCF automatically become members of www.EFCF.com/COMMUNITY and get access to the Memberzone. There you can contact the individual participants via interactive member lists and also view the on-demand streams of the past years and, as soon as available, also of the current event and benefit from further services and information.

The tools are new and may still have teething problems, for which we apologize. The EFCF team
