

# INSTRUCTION FOR POSTER PRESENTATION

Your paper has been selected for the Poster Show. This is a great opportunity to present your work, your institute and yourself to large audience during 2-3\* poster session days. Well-presented posters draw a high level of attention and offer many opportunities for discussion during the conference. The best posters will be awarded!

Please observe the following instructions when preparing your poster.

1. **Two to three\* Sessions** are scheduled for presentation of the posters, mounted in the designated poster area:

- Poster Session I: Wednesday June 30, 2027 - 13:15 to 14:30 h
- Poster Session II: Thursday July 1, 2027 - 13:15 to 14:30 h
- Poster Session III: Friday July 2, 2027 - 10:00 to 11:00 h

Poster boards will be ready from 16:00 on Tuesday 29 July 2027.

All posters must be mounted (at the latest) by 10:00h Wednesday June 30, 2027.

Poster stickers will be provided at reception. No staples, thumbtacks, pins or needles can be used.

\*Depending on the number of posters, up to 3 poster sessions are currently planned. The 3<sup>rd</sup> poster session on Friday will be confirmed in the Final Announcement released in May 2027.

2. The **sketch of the poster board** arrangement can be found below.

|                                       |                                                                                                                                                                                                            |
|---------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| a. <b><u>Technical Content</u></b>    | has to be put into the 84-90 cm wide and 120-128 cm high <b>main poster area (=A0 - Worldformat)</b> . Use the entire area for your technical content.                                                     |
| b. <b><u>Personal Information</u></b> | on authors (CV), institute, company, laboratory (main goals), etc. can be shown in an <b>additional area</b> of 29.7 cm x 21 cm (format A4) <b>on the upper right part</b> of the board. This is optional. |
| c. <b><u>EFCF-ID, Title</u></b>       | <b>of your presentation, your <u>name</u> and <u>affiliation</u></b> according to abstract, will be <b>provided by EFCF</b> and appear on the <b>upper left part</b> of the board.                         |

3. **Recommendations**

- ✉ Please post only the essentials in the poster. Restrict yourself to highlights, results, innovative ideas etc. The complete text of your presentation will be included in the electronic Conference Proceedings.
- ✉ Please use the "Arial" font (normal and/or bold) and the following letter sizes to make sure that all essential information can be read from a distance of 1.5 m (6').

# Headlines: 48 pts (bold)

## Subheadings: 30 points (bold)

Text and equations: 18 points (normal)

4. **Awarding**

- a. Members of the Scientific Committee will rate the **technical content** of your presentation. The winners will be honored during the Christian Friedrich Schoenbein Award Ceremony on Friday July 2, 2027.
- b. Members of the Scientific Committee will also rate the **quality of the visual appearance** of your presentation. The poster with the best visual presentation will receive

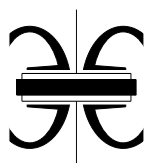

**Cash Award of 200 Swiss Francs**
